The Lakeview Area Community Fund

Background and General Grant Guidelines

A BRIEF HISTORY - THE LAKEVIEW AREA COMMUNITY FUND

In the spring of 2001, interested Lakeview citizens discussed the concept of having a community fund that would provide a future-funding base to enhance the quality of life in the Lakeview area. The group learned that this could easily be done by affiliating with the Greenville Area Community Foundation. The Lakeview group could concentrate on raising funds and making the area aware of this new opportunity to give back to the community and the GACF would be responsible for administrative tasks for a small fund fee. With volunteers agreeing to become the first Advisory Committee – The Lakeview Area Community Fund (LACF) was on its way!

Now twenty-four (24) endowment funds make up the LACF family of funds. They include: the LACF Unrestricted Fund, the Lena Rader Meijer Donor Advised Fund, the Tamarack District Library Fund, the Spectrum Kelsey Hospital Fund, the Bud Martin Family Fund – for the LCWC, and the Lakeview Youth Fund. Scholarship funds include the Rossman Family Scholarship Fund, the Wales Memorial Scholarship Fund, the Kos Memorial Scholarship Fund, the Joe Cook Memorial Scholarship Fund, the Clair & Alice Ellafrits Memorial Scholarship Fund, the Elmer & Mary Coon Performing Arts Scholarship Fund, the Guilfoyle Family Scholarship Fund, the Abby & Todd Molitor Scholarship Fund, the Ken & Aletha Sutherland Family Scholarship Fund, the Bob & Mary Charnley Scholarship Fund, the Trufant Area Scholarship Fund, the Lincoln Family Adult Scholarship, the Alfred & Leona Kranz Memorial Scholarship Fund, the Roger Betten Family Scholarship Fund, the Darwin & Ethelda Van Houten Scholarship Fund, the Russell & Louise Hansen Memorial Scholarship Fund and the LCS Calculus Scholarship Fund. A new fund under construction (growing to the \$10,000 min.) is the Lakeview Community Wellness Center Fund. All of these funds will benefit the Lakeview area for years to come.

The Lakeview Area Community Fund aspires to bring together donors, community, and grantees by demonstrating reliability to donors, concern for community and usefulness to grantees. It strives to conduct its grant-making process with openness, mutual respect and trust.

GRANT MAKING

The grant-making policy of the Lakeview Area Community Fund is to disburse funds to ensure the enhancement of the quality of life in the greater Lakeview community through creative, visionary and issue-sensitive grants. The philanthropic endeavor will be directed to the community's cultural, educational, social, health, environmental and recreational concerns. Within these broad categories established to serve our constituency, the LACF has identified several objectives which proposals should address, including:

- Creative, "cutting edge" programs/projects that address emerging or new community needs.
- Programs/projects that yield substantial community benefits for the resources invested and serve a broad segment of the community.
- Programs/projects that address prevention as well as treatment.
- Programs/projects that increase citizens' commitment to meet community needs through involvement in the development and implementation of solutions.
- Programs/projects that develop self-reliance and character and eliminate dependency.
- Programs/projects that strengthen or support the family.
- Programs/projects that will become self-sustaining without requiring ongoing foundation funds.
- Programs/projects that have a strong possibility for replication, or benefiting other nonprofit organizations facing similar problems.
- Programs/projects that eliminate duplication of services and encourage cooperation within the community.

Background and General Grant Guidelines

NON-PROFIT, TAX EXEMPT CRITERIA

In general, the LACF accepts grant requests from organizations within the greater Lakeview area. This area has been defined as the Lakeview school district.

Organizations must be recognized (or be in the process of applying for recognition) as a non-profit, tax exempt organization as defined by the Internal Revenue Service to be eligible to apply. The period for grant support is normally one year. The LACF does not usually provide ongoing support to programs. A proposed request may receive partial or full funding or be denied funding.

GRANT CYCLE

Generally, grants are made once annually in the fall for the following year. Grant proposals may be submitted anytime prior to the deadline. Grant monies available for distribution depend on the amount of the current foundation endowment and the earnings determined by the GACF Spending Policy. (Copies available in the GACF office upon request.)

The LACF Advisory Committee evaluates individual grant applications in search of quality projects with the attributes to succeed; including practicality, good management, efficiency, fiscal integrity and commitment. The LACF views itself as a social investor, funding programs and services that meet worthy objectives and that continue onward after the grant ends.

WHAT'S NOT FUNDED?

Generally, the Lakeview Area Community Fund does not provide funding for the following:

- Endowments (unless within the LACF)
- Debt retirement
- Annual fund-raising campaigns
- General operating expenses (Special consideration is given to new, innovative programs addressing current identified community needs.)
- Travel for individuals/groups
- Meetings/Conferences
- Sectarian religious programs
- Individuals (except Scholarships)
- Commonly accepted community services already supported by tax dollars.
